Fredericksburg Area Museum Announces Temporary Closure in Response to the COVID-19 Outbreak

The Fredericksburg Area Museum (FAM) will close to visitors beginning 3/13/2020 in response to the COVID-19 outbreak. The FAM’s Board of Directors will closely monitor the situation and reopen when deemed safe. “This decision is not made lightly,” stated Sara Poore, President and CEO. “Our goal is to do what we can to ensure the continued safety of our patrons and to support the Fredericksburg community as we all work together to keep the spread of the virus reduced. We apologize for any inconvenience this may cause and will reopen for visitation once the threat has passed.”

For more information, please either contact the Museum at 540-371-3037, or visit us at www.famcc.org. The FAM collects, researches, interprets, teaches, and preserves the history, heritage, and culture of the Fredericksburg region. We serve a diverse community through a commitment to inclusion, integrity, credibility, and relevance. We will facilitate an understanding and appreciation of how the acts of those who preceded us have shaped this community and the nation at large—providing both lessons and inspiration as we work together to forge a greater community.
