POWHATAN PEOPLE GLOSSARY

EEL: a long fish that that looks like a snake and has smooth slimy skin. Local Native American caught river eels as a source of food.

PATAWOMACK: a Native American tribe based in Stafford County and one of Virginia's 11 state recognized tribes.

POWHATAN: a group of Algonquian-speaking people living in the Tidewater region of Virginia at the time the English settlers landed at Jamestown in 1607.

POWWOW: a Native American ceremony or social gathering.

RAPPAHANOCK: a river that flows entirely through Virginia and passes Fredericksburg. Its names come from a local Algonquian word meaning, "quick rising waters."

TOBACCO: a plant with green leaves that grows in warm climates. The leaves are picked off, dried, and prepared for smoking.

YEYEHAKIN: a semi-permanent structure used for sleeping and storage. Young branches were used to create a frame for the house. The Powhatan people covered their houses with bark shingles stripped from trees, or mats woven from cut marsh reeds.
